**Re: Reception for Montreal Police Cyclists August 17, 2009**

Dear Mr. Curran:

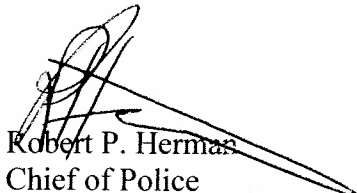

On behalf of the Thunder Bay Police Service, I would like to extend my gratitude for the hospitality extended to the Montreal cyclists and to the members of our Service on August 17, 2009.

Your members put on a social that was beyond our expectations. It was well organized and everyone felt welcome and left well-fed.

Furthermore, the cyclists advised that Thunder Bay was the most memorable stop in their Canadian tour. This was no doubt directly related to the hospitality offered by the members of your organization.

Please extend my gratitude to all who assisted in this endeavour, and best wishes for continued success with your Mason Chip program.

Yours truly,

Robert P. Herman  
Chief of Police
